RESTAURANT

Season Restaurant & Bar occupies one of the most enviable dining sites in Noosa. With views across Laguna Bay to Noosa's North Shore, it offers a stunning backdrop for any event.

Reflecting on Season's unique seaside location, Chef Andrew Tomlin creates a seasonally updated menu that focuses heavily on seafood and local produce, and his thoughtfully compiled dishes ensure that there is something for everyone. With a modern interior surrounded by garden walls, and a dining room that extends into a long white-tented space cooled by the ocean breezes, it is difficult to imagine a better spot to enjoy your private function.

The venue is able to comfortably accommodate 80 guests for a sit-down occasion. It is a requirement at Season Restaurant to book the venue for exclusive use if you have 35 or more guests. If your occasion is a smaller affair (between 15 and 35 guests), we are able to offer a group dining experience in a section of the restaurant with one of our price per head charge limited choice menus.

Included in this package is our exclusive use pricing schedule, sample menu options, inclusions, and terms and conditions. Please be aware that Season Restaurant is not a venue where excessive noise from guests and/or music is allowed. If you require any further information or assistance please do not hesitate to contact the restaurant.

IMPORTANT GUIDELINES FOR YOUR INFORMATION:

NOISE RESTRICTIONS, MUSIC & ENTERTAINMENT

Season Restaurant offers your guests the ultimate Noosa beachfront dining experience where enjoying quality food and wine with your guests is the focus of the gathering.

The restaurant sound system with iPod/MP3 player facilities is provided for use throughout the duration of the event. The restaurant manager will control the volume of any music played in the restaurant throughout the entire event. Live entertainment is not permitted. We certainly want you to enjoy your event but Season is not a restaurant where excessive noise from guests and/or music is tolerated.

For the enjoyment of all and to not cause any misunderstanding listed below are some very important and not negotiable Noise Guidelines.

- Noise levels emanating from the restaurant (from both guests and music) must not exceed 75 Dbs. This equates to background dinner music for the entire length of the event.
- Live entertainment is not permitted.
- Season Restaurant management reserves the right to cease any activity in the restaurant that does not abide by the restrictions set out above or any activity that places the business at risk of being in breach of lease and liquor licensing agreements.
- Venue doors will be closed during the reception to ensure that noise level effects are kept to a minimum.
- The restaurant manager will control the volume of any music played through the restaurant sound system from an iPod/MP3 player throughout the entire event.

RESPONSIBLE ALCOHOL SERVICE, BEVERAGES & BYO

In accordance with responsible service of alcohol guidelines, final beverages will be served half an hour prior to the end of the function/closing time. Season staff will discontinue service of all alcohol to any intoxicated person(s) without liability. Our restaurant is fully licensed and therefore BYO is not permitted. For your function, Season Restaurant offers either beverages on consumption or a variety of fixed price packages.
